

Key things to consider before your interview

1. Do you know what the company's core areas of business are?
2. Do you know what the day to day responsibilities of the role are?
3. How does your background match the company and the role?
4. What skills do you have that would make you great for the role?
5. What are you going to wear?
6. Where is the interview being held?
7. How will you be travelling – directions – maps?
8. Do you need to report to security reception?
9. Do you know your CV inside and out?
10. Have you got answers for common interview questions?
11. What is the format of the interview going to be?
12. What tests are involved – psychometric, etc?

How you look, smell, talk and act will all have a dramatic effect on whether you get the job or not. Dress smartly, ensure you have mints on you and freshen up before heading into the interview. Shake hands with a positive grip and use eye contact throughout the interview. Most importantly, smile!

Our recruitment experts are always on hand to support our candidates before an interview to make sure that their star qualities shine through.
